**DigitalGlobe Exclusive Distributors**

This approach allows us to work closely with our resellers and fully support their efforts. The reseller community is designed to encourage resellers to work closely with customers to meet their specific needs and maintain long term relationships. This close collaboration between DigitalGlobe and our reseller channel enables the success of DigitalGlobe, our resellers, and most importantly our mutual customers.

**DigitalGlobe Exclusive Distributors**

**Additional Resources:**

[Reseller Locator](#)[Reseller Community Extranet](#)

DigitalGlobe has established a reseller community worldwide to market and sell QuickBird products. Our resellers serve as an extension of the DigitalGlobe direct sales force. We have intentionally selected a small number of resellers, and in many cases exactly one reseller to a given geographic region.

## RESELLER DETAILS

### GlobeXplorer

DigitalGlobe® Reseller headquartered in Walnut Creek, California.

GlobeXplorer is the leading provider of online earth imagery, delivering instant access to the world's largest online library of map-accurate aerial and satellite photography. Through web applications and online extensions for ESRI, AutoCAD, and MapInfo software, GlobeXplorer serves hundreds of thousands of businesses, government agencies, and consumers daily.

In addition to its web-based products, GlobeXplorer also sells custom offline DigitalGlobe imagery on CD, DVD, FireWire, or online file transfer (FTP).
